Utah Senate and House of Representatives Announce 2021/22 Interim Committee Assignments

SALT LAKE CITY – President J. Stuart Adams and Speaker Brad Wilson announce 2021/22 interim committee appointments.

“With careful consideration, we selected lawmakers for specific interim committees to review and vet policy,” said President Adams. “Over the next few months, they will discuss policy and prepare legislation for the upcoming general session. I have full confidence in legislators' ability to communicate with the public and collaborate to create sound policy. Together, Utah will continue to lead the nation in economic growth and opportunity.”

“The success of the legislative session is due in large part to the work we do during the interim,” said Speaker Brad Wilson. “Legislators will spend the next several months thoroughly studying important issues in preparation for next year’s session as we work to address the most critical needs facing our state.”

The interim committee schedule will be approved by the Legislative Management Committee on April 14, 2021.
